

St. David Unified School District
Where Students Are Our Primary Focus

September 22, 2020

Dear parents/guardians of **preschool/kindergarten/6th grade** students,

This is a friendly reminder that students of this age/grades require certain immunizations to attend public school. Please provide proof of these immunizations ASAP as we are required to report to the state on our schools immunization status. If there is a timing issue, please communicate this with the health office. We appreciate those who have been able to provide the needed documentation following the first e-mail. If an exemption is needed, please contact us for that as well. We totally understand that this year has been challenging.

Following this letter will be a phone call or personal letter to each parent/guardian. But please, communication is key. Let us know if you have any questions or are running into issues. We are here to assist in any way possible.

Sincerely,

St. David School Health Office
Aubri Jacquez RN
